

Certification of Non-Billable Status

Attachment to contract for services with The Information Resource of Maine AFFIRMATION STATEMENT FOR NON-BILLABLE ACCOUNTS

I affirm that I am an authorized agent of the organization specified below, that this organization is a governmental organization of the State of Maine or of a county or municipality of the State of Maine, that all requests made for criminal history record information and juvenile crime information made through the Maine Online Criminal Records Service are made solely for non-criminal justice, non-licensing purposes.

I understand this status exempts the governmental organization from any fee for service for the provision of criminal history record information and juvenile crime information pursuant to [25 MRSA §1541\(6\)](#) . I understand, and agree, that the Bureau of State Police and the Information Resource of Maine may terminate this exemption at any time should the Bureau of State Police be required, by law, to charge a fee to governmental organizations that request criminal history record and juvenile crime information for non-criminal justice, non-licensing purposes.

I understand that criminal and/or civil penalties may be imposed against me, or the governmental organization specified below, should criminal history record information or juvenile crime information be obtained without fee for purposes other than non-criminal justice, non-licensing purposes.

I understand penalties may be imposed against me for any violation of these conditions. I further agree to indemnify and hold harmless the State of Maine, the Information Resource of Maine and New England Interactive, Inc. from any liability or costs that may result from any access to or use of personal information, which was obtained by me, or others under my authorization, and which was not used in accordance with this agreement.
